

CSC CONSULTING

Sustainable business strategy

- Strategy is the roadmap towards the organization's vision. It guides how the organization makes decision, allocates resources and prioritizes actions to achieve set goals. CSC Consulting gives you the tools to achieve your goals with your available resources.

- Strategic recommendation

- Leadership
- Organizational culture
- Marketing plan
- Management structure
- Systems and processes
- Human and financial resources

- Stand-alone services

- Workshop and training
- Documents and templates
- Coaching sessions
- Cost analysis
- New system implementation
- Accounting hourly support

MAKING CARING PROFITABLE

With a focus on corporate culture and an eye on financial results, we help you optimize your resources to boost your productivity. We give you the tools to do more with less, today and tomorrow.

- ✓ Save time
- ✓ Deliver quality
- ✓ Eliminate stress

Because we have now less than a decade ahead of us to reach the objectives of the Agenda 2030, CSC Consulting is here to enable the corporate world to find sustainable strategies. The future we need is a future where our actions have a positive social, environmental and economic impact.

To build back better, happier, greener, safer and more equal, each actor of the society needs to act with honesty, transparency and respect, today and tomorrow. We have to ensure the development and existence of organized structures where relations are based on trust and cooperation. Culture, sustainability and compliance are the 3 pillars of CSC Consulting's vision.

About the founder - Morgane

Throughout my experience, I always thought of practical sustainable solutions that could be implemented in all areas of work. In this regard you can be sure that my vision is broad and that I will be able to consider the applicability of methods and tools to all types of industries.

Customer satisfaction - Garden Cosmetica Natural

To work with CSC Consulting can be defined as efficiency and speeding up. From the first meeting we were able to start organizing basic daily tasks and seeing results the very same day.
